

December 2025

Motty has led the Heitner Charitable Foundation since September 2017. During this time, he has built and sustained strong relationships throughout the community and abroad, becoming a reliable and respected presence for the Foundation's partners and beneficiaries. His expertise extends beyond administration and outreach; he has a natural ability to understand people's needs with compassion, sensitivity, and insight.

He approaches every situation with thoughtful care and complete discretion. Although he never seeks recognition, it is clear that his decisions are guided by integrity, empathy, and a genuine desire to achieve the best possible outcome. Whether he is working with donors, volunteers, or recipients, he listens closely, considers every detail, and responds with humility and steady judgment.

Motty's commitment to serving others, paired with his warm professionalism and unwavering dedication, makes him an exceptional leader of the Heitner Charitable Foundation, one whose work quietly improves countless lives. I am proud to be associated with him and grateful to have someone of his caliber guiding my foundation with such sincerity, wisdom, and heart.

Bentzion Heitner
